The following Agenda points were discussed.

S. No.	Agenda Item	Minutes	Responsibility	Action Points
1.	Brief introduction of MOUS signed with various bodies	Dr Devi commenced the meeting by introducing all members of IIC and Thereafter, after the Inaugural address of Director – JIM, President IIC – Dr. Ashwani Varshney gave brief description on the Memorandum of Understanding (MoU) signed by JIM – Ghaziabad. Sir explained that a step has been taken forward to sign MOU's with Shakti-The Empathy Project, Innove Intellects LLP, Ghaziabad and Atal Incubation Centre, BIMTECH to facilitate an ecosystem of startup and innovation and foster an entrepreneurial culture.	IIC Members	The initiatives of Patent and MoUs and copyrights are updated on the ARIIA portal.
2.	Providing information about activities completed in Quarter II	Dr. Varshney briefed the members about the activities conducted by IIC – JIM in Quarter II. The glimpses and description of the activities were shown in the form of PowerPoint presentation, the activities shown were Panel Discussion, Hackathon, Exposure Visits, Workshop on Startup, Ecosystem, Expert Talk on IPR and Poster Presentation, Essay Competition on 'National Energy Conservation Day, Business Plan Competition: "PITCH" , DEBATE – The War of Words, National Youth Day celebration, National Startup Day Celebration, Presentation for KHOJ – BIMTECH, Workshop on IPR and Entrepreneurship.	IIC Members	The reports of all the conducted events were prepared and uploaded on IIC Portal
3.	Description of the Innovations Selected and Start-Ups Established	Dr. Ashwani Varshney, IIC President presented the list of innovations which have been selected through IIC – JIM last year. Also, Sir briefed on start-ups established by the students which are the resultant output due to the rigorous efforts undertaken by IIC – JIM.	IIC Members	Points were noted and future efforts will be taken to run the venture successfully.

4.	Initiatives undertaken for submission of Projects under National Innovation Repository Portal, an initiative of the Ministry of Education (MoE) Government of India	President IIC, Dr. Ashwani Varshney explained to all the members that under IIC constant efforts are put to enhance the launch of start-ups, and for this under the Mini Project Sessions, 90 Projects have been shortlisted by Panel presentations in front of IIC – Innovation Ambassadors. These shortlist projects will be upload on the YUKTI- National Innovation Repository Portal, an initiative of the Ministry of Education (MoE) Government of India. The list of these shortlisted projects was showcased and their industry domain was highlighted by President IIC.	IIC Members	Further execution of the novelty of ideas will be done and the projects will be considered for establishing New -venture.
5.	Brief on Participation of the students in External Events	IIC President emphasized, IIC team motivates and encourages student's participation in the external events and co-curricular events related to Innovation and Entrepreneurship organized by external organizations. This ensures that students not only visit such institutes but also win accolades for the institute. Under this category Students of JIM have participated in MSME Idea Hackathon.	IIC Members	More students should be sent to such events.
6.	Discussion on IIC-Activities planned for Quarter III	Dr. Ashwani Varshney updated the members about the activities which are planned for Third Quarter, along with the allocation of duties to the Internal IIC members. under the four mentioned categories i.e. IIC Calendar Activities, Self – Driven activities, MIC Driven Activities and Celebration activities.	IIC Members	Faculty member to take note of calendar activity and start execution of the same as per planning.
7.	Suggestions from external members for activities to be performed further	In the concluding session Prof. (Dr.) Daviender Narang (Director, JIM) suggested that the meeting should be held in Offline mode, in order to enhance the efficacy and communication. Furthermore, offline meeting shall enhance the interaction of External members with students. The suggestions and feedback were acknowledged from the external	IIC Members	Visits will be planned for students to the Industrial Units and Liasoning will be done with financial institutions to ease out fundings.

	<p>members, where they suggested that session can be arranged by IIC JIN – to make students understand how business loans are provided by banks on minimum rate of interest. One such bank is EXIM bank. Additionally, it was suggested that Industrial Visit should be conducted to expose the students to corporate environment. Attempts should be made to channelize the activities conducted for the students. All the external members were amazed to see determination and zeal shown by IIC – JIM to encourage the students to take entrepreneurship as a career opportunity.</p>
