3.	Discussion on inclusion of new members in the IIC Board	Dr. Ashwani Varshney put forth an idea to include new members in the IIC boards, who would be actively participating in all the review meetings. The new members will be functionally responsible to strengthen the IIC at JIM. The members will be incorporated from BIMTECH and other institutions who have signed MOU.	IIC Members
4.	Discussion on Students certification enrollment in the area of Entrepreneurship	Director- JIM suggested that certification instructions should be provided to the selected students on topics such as Entrepreneurship, Innovation Start Up. The interested students who have nominated themselves in the Innovation and Entrepreneurship Club can join courses from Udemy, Course Era and other MOOC platforms. Certifications in selected domain will provide essential skills and effective strategies for leading innovation in organizations - and for starting new ventures. The functional responsibility to get minimum 30 students enrolled in certification is allotted to all IIC members. It was suggested that a cumulative attendance record of students of the I&E Club should be maintained, so that equal exposure is given to all the students members through multifaceted activities conducted by the Club.	IIC Members
5.	Update on the implementation of previous recommendations or action items (YUKTI projects /ideas)	Director- JIM instructed that the students register themselves on the YUKTI Portal and fill the National Innovation Repository data for boosting the entrepreneurial ecosystem on the campus. Minimum of 75 students are expected to fill the data allotted to Dr Devi, Dr. raj and Ms. Surbhi. The deadline to get the registration done is by June 10, 23	IIC Members
6.	Discussion of potential new innovation projects and initiatives for Patent and copyright	IIC President – Dr. Varshney discussed about few projects which can be featured as patents and copyrights. These projects can be sent for the novelty check to the verifiers.	IIC Members
